PUZZLE CARDS

MY FIRST 100 WORDS

With this card set the child will learn over 100 words for animals, fruits and vegetables, colours and common objects. The card set contains 15 cards that can make 10 puzzles. You can start with one card and add on as you see fit, making the game less or more difficult, based on the needs of the child.

MY FAMILY

What do the people in a family do? They cook, they clean, they travel together and the most important – they love each other! Your child will develop her/his logics and observational skills through finding and counting objects. The box contains 15 cards, which can be used to construct 10 puzzles.

RIGHTS SOLD TO: ESTONIA.

COLORS AND SIZES

2+

These cards will help your child learn more about colors and the sizes. Let the child match the cards according to the color of their frames and the sizes of the objects. The box contains 15 cards, which can be used to construct 10 puzzles.

RIGHTS SOLD TO: ESTONIA.

I COUNT

2+

These cards will help your child learn more about the numbers and counting from 1 to 10. Let the child match the cards according to the color of their frames or the type of the pictures – hands, numbers, groups of objects. The box contains 15 cards, which can be used to construct 10 puzzles.

RIGHTS SOLD TO: ESTONIA.

BABY ANIMALS

2+

Play with the baby-animals, find their parents and what their favorite food is. They consist of 15 cards of pasteboard, containing 30 pictures out of which you could make 10 puzzles.

These cards are designed for the youngest from 1 to 3 years old.

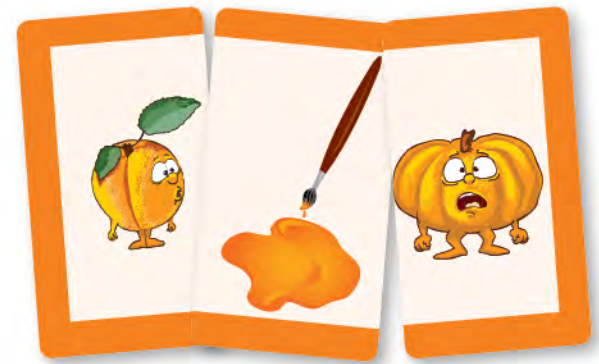

RIGHTS SOLD TO: ESTONIA.

FRUITS, VEGETABLES, COLORS

2+

The child is playing with the fruit and vegetables and easily learns to recognize the colors.

They consist of 15 cards of pasteboard, containing 30 pictures out of which you could make 10 puzzles.

RIGHTS SOLD TO: ESTONIA.

WHERE DO THE ANIMALS LIVE

2+

Where does the mole live? What about the eagle? Play with the 10 animals and learn where do they live.

They consist of 15 cards of pasteboard, containing 30 pictures out of which you could make 10 puzzles.

RIGHTS SOLD TO: ESTONIA.

TRANSPORT VEHICLES

2+

ACTIVITY CARDS FOR TODDLERS

Weight: 0,140 kg
Number of cards: 20
White board marker: 1
Sizes: 122/122/25 mm

HUMAN BODY

3+

On the face of the cards there are 20 pictures and 20 questions related to the parts of the human body, the senses, etc. On the back of the cards there are puzzles. You can make the activities more fun and increase the learning level if you ask additional questions. The cards can easily be wiped off and used again and again. This set of cards is created especially for toddlers – 2, 3, 4 year old.

COLORS AND SHAPES

3+

On the face of the cards there are 20 pictures and 20 questions about colors and shapes. On the back of the cards there are puzzles, which help with the easier memorizing of the colors and the shapes. You can make the activities more fun and increase the learning level if you ask additional questions. The cards can easily be wiped off and used again and again.

VEHICLES

3+

On the face of the cards there are 20 pictures and 20 questions related to the different types of transport – overland, overseas, the vehicles on land as well as the professions connected with them. We introduce the traffic lights, the zebra crossing, etc.

On the back of the cards there are puzzles with vehicles. You can make the activities more fun and increase the learning level if you ask additional questions. The cards can easily be wiped off and used again and again.

SEASONS

3+

In an interesting and fun way the activities describe the four different seasons – spring, summer, autumn and winter. The playing child learns what happens in nature during the specific season, what are the possible activities during that season, what clothes it needs to wear, and other useful facts that have to do with the changes of the weather. On the back of the cards there are puzzles.

The cards can easily be wiped off and used again and again.
